

RESILICENY

The Secret Sauce to Thriving During Transition

The truth is, there are times in life when it feels like we are going against the wind. It's easy to cringe when we face the winds of challenge smacking us in the face. Sometimes, transition can feel like an impossible circumstance to overcome.

In this talk, Darla shares the secret sauce to not only survive, but thrive during times of transition. Resiliency is the key. By being resilient to the "winds" in life, we begin to embrace the transition. It's then that we can lean into the opportunity that circumstance can create in our life. Are you ready to soar above the challenges?
